Index to MACHINERY, Volume 54

A		
A. K. Tool Co.: Quick-change Toolpost for Engine Lathes	Nov. 200	
Aber Engineering Works: Carbide-tipped Mining Cutter	Apr. 222	
Abrasive Cut-off Machine, Bridgeport Automatic	July 212	
Abrasive Cut-off Machines	Mar. 210	
Abrasive Cutting Machine, Campbell "Cut-a-matic"	July 220	
Abrasive Cutting Machine, Campbell Hand-operated Wet	May 196	
Abrasive Cutting Machine, Semi-automatic Wet	Aug. 186	
Abrasive for Polishing and Lapping, Fine-grained	Sept. 288	
Abrasive Machine Tool Co.: Internal Finishing Machine and Circular Graduating Machine	Oct. 214	
Abrasive Tumbling Reduces Finishing Cost, Valley H. Laughner	Dec. 139	
"Accreback" Positive Jaw Adjustment, Cushman Truck	Sept. 246-F	
Acuson Colloids Corporation: Lubricant for Forging-press Dies	Mar. 218	
Acid Agent for Bright Nickel-plating, New	July 189	
Acme Broach Corporation: Hydraulic Machine for Broaching, Honing and Straightening	Nov. 177	
Acme Hydraulic Horizontal Broaching Machine	Dec. 201	
Hydraulic Broaching Machines	May 204	
Acme Liquid Polishing Composition, New	Jan. 185	
Acme Steel Co.: Production of Strip Steel Demonstrated	Nov. 218	
Acme-Morrison Metal Stitchers	Mar. 185	
"Acrawax C"—A Synthetic Wax Used as Lubricant in Drawing High-carbon Steels	Apr. 181	
"Acrawax C"—Wax Compound that Provides Anti-static Surface for Plastics	July 189	
Aero Welder Mfg. Co.: Aero Sequence Control for Aluminum Spot-welding	Jan. 227	
Acromark Co.: Name-plate Stamping Machine	May 202	
"Actane"—A New Acid Agent for Bright Nickel-plating	July 189	
Adapter, Brown & Sharpe Turret-tool	Aug. 202	
Adel Precision Products Corporation: Geared Pump for Hydraulic Systems	Feb. 204	
Adhesives for Cementing Metals, Plastics, and Wood	June 190	
Agnew Electric Co.: Spot-welder	Mar. 207	
Hydraulic Assembling Press	May 191	
Ahler, Oscar A., Personal of	May 232	
Air Compressor, see Compressor		
Air Conversion Units for Arbor Presses	Aug. 210	
Air Cylinder, see Cylinder		
Air-fuel Ratio Controller, Leeds & Northrup	Dec. 216	
Air Gate, Taft-Peirce Precision	Oct. 202	
Air-motor, Bellows Non-rotating Reciprocating	Dec. 214	
Air Reduction Sales Co.: Cutting Corrosion-resistant Alloys by the "Flux-Injection" Method	Oct. 165	
Airco Wear-resistant Welding Rod and Improved All-position Electrode	Oct. 196	
Airco Flux for Gas Welding of Stainless Steel	Dec. 201	
New Airco Research Laboratory	Jan. 180	
Airco Manual "Heliweld" Holder	Feb. 197	
Airco Cutting and Welding Torches	Mar. 224	
Airco Electrode for Welding Mild Steel	Apr. 195	
"Wasp Special" Arc-welding Machine	July 224	
Aircraft-engine Crankshafts, Machine-shop Operations in Producing Light. M. F. Colburn	Oct. 146	
Aircraft Marine Products, Inc.: Quick-acting Liquid Wire-Stripper	Aug. 169	
Aircraft Parts, Rapid Method of Grooving Powdered-metal	Dec. 146	
Aircraft Service, Fire-alarm system for	Jan. 194	
Airdraulics, Inc.: Automatic Engraving and Profiling Machine	Nov. 194	
Airflex Riveter, Lemert Double-end	Dec. 212	
"Airlite" Air-powered Light Generator	Aug. 192	
"Air-Miser" Four-way Air Valve	Nov. 206	
Airo Products Co.: Fry Multi-tube Speed Chuck	Nov. 205	
Airplanes, Fiberglass Ducts for	Feb. 234	
Alexander, George, Personal of	Aug. 233	
Al-Fin Corporation: Aluminum Timing Gears with Integral Steel Hubs	Dec. 175	
All American Tool & Mfg. Co.: Bench Filing Machine with Variable-speed Drive	July 216	
All-State No. 20—A Low Silver Content Solder for Brazing with Exceptional Tensile Strength	Apr. 182	
All-State Welding Alloys Co., Inc.: Cast-iron Flux Applied in Paste Form for Gas Welding	Jan. 185	
Flux for Soldering Aluminum to Other Metals	Feb. 174	
Low Silver Content Solder for Brazing with Exceptional Tensile Strength	Mar. 182	
Low-temperature Melting Silver Solder with High Shear Strength	June 191	
Allen-Bradley Co.: Motor Starting Switch	Mar. 228	
Allis-Chalmers Mfg. Co.: Celebrates One-hundredth Anniversary	Jan. 186	
Allis, Jr., Louis, Personal of	Apr. 241	
Alloy Developed for Highly Stressed Parts, Sintered	Dec. 185	
Alloy of High Density Announced by General Electric, Sintered	Mar. 196	
Alloy Used in Light-weight Motors, Magnetic	Sept. 284	
Alnico 5 for Small but Powerful Magnets, Sintered	July 188	
Alnico Magnet Holding Assemblies	Dec. 218	
Alpha Metals, Inc.: Solder with Triple Core has Improved Type of Acid Flux	July 189	
Alpha Tool Works: Try-out Presses	Mar. 185	
Try-out Press	May 197	
Altman, George W., Personal of	Aug. 226	
Aluminum Alloys with High-speed Steel Drill, Friction	Apr. 173	
Aluminum and Magnesium on a Giant Hydraulic Press, Forging, Ralph Moore and J. R. Douslin	Oct. 135	
Aluminum, Anodizing Provides Transparent Oxide Coating on	Mar. 196	
Aluminum Boat Hulls, Deep-drawing One-piece	May 174	
Aluminum-bronze Alloy Designed for Die Use	Aug. 180	
Aluminum-bronze Alloy Developed for Cold-heading Operations	June 191	
Aluminum by the Resistance Heating Process at Elevated Temperatures, Bending and Forming of 75-T. M. L. Ochiciano	Jan. 156	
Aluminum Company of America: Portable Welder for Inert Gas Welding of Aluminum	Oct. 162	
New Aluminum Roofing Material	Dec. 244	
Expanding Applications of Aluminum	Apr. 184	
New Motion Picture of Aluminum	June 234	
Aluminum Die-castings Made Easier, Color Anodizing of	Dec. 185	
Aluminum, Expanding Applications of	Apr. 184	
Aluminum Forgings, Shot-peening, Charles H. Wick	Nov. 133	
Aluminum Frames for Coil-operated Phonographs, Helicar Welding of	July 171	
Aluminum, Optimum Detergents Co. Announces New Cleaner for	Jan. 185	
Aluminum Paint Has High, Long-lasting Brightness, Ready-mixed	Nov. 163	
Aluminum, Portable Welder for Inert Gas Welding of	Oct. 162	
Aluminum Production, Motion Picture Film on	Mar. 238	
Aluminum Roofing Material, New	Dec. 244	
Aluminum Rotors on a Vertical Hydraulic Press, Die-casting	Feb. 150	
Aluminum Sheets, Hot Stretch-forming of	Aug. 170	
J. A. Johnson	Jan. 227	
Aluminum Spot-welding, Aero Sequence Control for	Jan. 227	
Aluminum Timing Gears with Integral Steel Hubs	Dec. 175	
Aluminum, to Other Metals, Flux for Soldering	Feb. 174	
American Brake Shoe Co.: Epicyclic Gear Reduction Drive	Nov. 198	
High-speed heavy-duty Gridded Bearing	Jan. 221	
Small-size Portable Air Compressors	June 213	
American Broach & Machine Co.: Vertical Pull-up Hydraulic Broaching Machine	Apr. 198	
Large Vertical Hydraulic Broaching Machine	June 208	
American Car & Foundry Co.: Automatic Welding Speeds up Box-car Production	Feb. 143	
American Cast Iron Pipe Co.: Centrifugal Casting of Carbon- and Stainless-steel Tubes	Jan. 181	
American Electric Fusion Corporation: Machine for Making Standard Weight Pipe	Jan. 199	
American Gage & Machine Co.: Automatic Feed Attachment for Centerless Lapper	Jan. 221	
American Gear Manufacturers' Association: Semi-annual Meeting Held in Chicago	Dec. 160	
Reports an Increase in Orders for Industry	May 226	
Annual Meeting Held at Hot Springs, Va.	July 183	
American Institute of Electrical Engineers: Winter Meeting to be Held in Pittsburgh	Jan. 191	
American Machine Tool Distributors' Association: Annual Meeting Held in Chicago	Nov. 153	
American Optical Co.: Spencer Stereoscopic Industrial Microscope	Dec. 214	
New Safety Goggle	Jan. 228	
Plastic Face Shield	Mar. 223	
Head-rest Safety Goggle	Aug. 193	
American Society for Metals: Annual Metal Congress and Exposition	Oct. 164	
American Society for Testing Materials: Index to A.S.T.M. Standards	Oct. 166	
Index to A.S.T.M. Standards	Aug. 152	
American Society of Mechanical Engineers: Annual Meeting to be Held in Atlantic City	Nov. 172	
Materials-handling Session to be held in Cleveland	Dec. 183	
Annual Meeting Held in Atlantic City	Jan. 169	
Spring Meeting Held in New Orleans	Feb. 188	
Semi-annual Meeting Held in Milwaukee	July 187	
American Society of Tool Engineers: Semi-annual Convention in Boston	Oct. 166	
Conclusion of Semi-annual Conference in Boston	Dec. 183	
The Tool Engineers' Show	Feb. 159	
Sixteenth Annual Meeting in Cleveland	Feb. 218	
Meeting in Cleveland	May 226	
American Standards Association: Index to American Standards	Oct. 189	
New Safety Codes Announced	June 165	
National Standards Approved	July 182	
American Tool Works Co.: New Lathes and an Improved Radial Drill	Sept. 212	
Shaft Duplicating in Single-tool Lathe Operations	June 151	
American Weldment Manufacturers Association: Association Organized to Help Solve Problems in Welding Industries	Mar. 238	
American Wheelabrator & Equipment Corporation: Continuous Wheelabrator Tumbler	May 191	
Ames Co., B. C.: Thickness Measuring Instrument	June 216	
Heavy-duty Dial Comparator	Aug. 198	
Ames Precision Machine Works: Portable lathe	Nov. 198	
Amico Metal, Inc.: Motion Picture entitled "Golden Horizons"	Sept. 252	
Aluminum-bronze Alloy Developed for Cold-heading Operations	June 191	
Bronze Sheet Rolled from Centrifugally Cast Billets	July 188	
Aluminum-bronze Alloy Designed for Die Use	Aug. 180	
Bronze Wire for Submerged-arc Welding	Aug. 202	
Amecooy 49—An Aluminum-bronze Alloy Developed for Cold-heading Operations	June 191	
Amplifier Unit, Brown & Sharpe External Comparator and	Nov. 186	
Analysis of Materials, High-temperature Equipment for Spectrographic	Nov. 154	
Analyzer Detects Airplane Engine Troubles in Flight	July 173	
Anderson, A. O., Personal of	May 237	
Anderson Oil Co., Inc.: Lusol Cutting Coolant	Dec. 199	
Anderson, P. A., Personal of	Jan. 240	
Angle-checking Instruments, Sensitive Precision Levels and	Aug. 204	
Angle-plate, Taft-Peirce Comparator Square and Magnetic	Mar. 194	
Angles for Circular Forming Tools, Determining the Developing, Fritz L. Keller	Nov. 169	
Anjeskey, A. F., Personal of	Aug. 233	
Anodizing Provides Transparent Oxide Coating on Aluminum	Mar. 196	
Analdi Tool & Engineering Co.: Automatic Disintegrator for Removing Broken Taps and Drills	Dec. 218	
Anti-friction Bearings, see also Ball and Roller		
Anti-friction Bearings for Gas-turbine Engines, Special	Mar. 157	
"Anti-Friction" Die Set, Leupold	Mar. 193	
"Antisep All-purpose"—A New Base for Cutting Compounds	Apr. 180	
Appel, Walter D., Personal of	June 253	
Apprentice Training as an Aid to National Security	July 161	
Apprentices, see also Training, Education, School, Vocation		
Apprenticeship Courses Advocated for Engineering Colleges	Aug. 146	
Apprenticeship Program, Metal-working Industry Plans National	June 185	
Apprenticeships Should be Expanded to Supply Skilled Labor	Dec. 188	
Arbor for Collet Chuck, Porst Expanding	Mar. 194	
Arc Welding, see Welding		
Archer, Emmet W., Personal of	July 246	
Arcomer Co.: Instrument for Drawing and Checking Arcs and Irregular Curves	Mar. 218	
Armour Research Foundation: Precision Gage Laboratory	Feb. 222	
Armstrong-Blum Mfg. Co.: "Marvel" Sizing Machines	Sept. 246-D	
Armstrong, G. R.: Producer's Quality Control Report Aids Inspection of Incoming Parts	Apr. 162	
Arntzen, Edward F.: Manually Operated Hidden-arc Welding Equipment Applied in Fabricating Machine Tool Members	June 188	
Aro Equipment Corporation: Reversible Screwdriver	Aug. 215	
Arter Grinding Machine Co.: Cylindrical and Rotary Surface Grinding Machines	Sept. 195	
Arthur, William, Personal of	Aug. 234	
Assembling Large Metal Sections, Bliss Welding Press for	May 200	
Assembling Machine, Snyder Automatic Lathe and Automatic	Mar. 206	
Assembly Machine, Moore Diemaker's Try-out and	Oct. 199	
Assembly Operation, Magnetic Holding Fixture Speeds, Herbert Weitz	Feb. 183	
Atlas Press Co.: Quick-change Lathes	Oct. 201	
Austin, William M., Personal of	Oct. 233	
Austin, W. S., Personal of	June 246	
Automatic, Acme-Gridley Six-spindle	Sept. 190	
Automatic for Machining Automotive Bearing Retainers, LeMaire	Aug. 187	
Automatic for Machining Intake Manifolds, Snyder	Oct. 195	
Automatic Indexing Machine for Drilling, Counterboring, Reaming, and Milling Operations, Millholland	June 205	
Automatic Indexing Machines, Kingsbury	Sept. 166	
Automatic Machine Designed to Perform Six Operations on Cast-iron Blocks, Snyder	Feb. 192	
Automatic Machine Made up from Cam Feed Units	Feb. 218	
Automatic Machine, Motch & Merryweather	July 212	
Automatic Machines, Conomatic Multiple-spindle	Sept. 227	
Automatic Screw Machine, New Britain Six-spindle	Aug. 185	
Automatic Screw Machine, see also Screw Machine		
Automatic Screw Threading Machine, Brown & Sharpe	Jan. 200	
Automatic Transfer Machine, Motch & Merryweather	Mar. 190	
Automatics and Turret Lathes, Rotary Stock Stops for	Dec. 222	
Automobile, Producing the New Studebaker	Jan. 139	
"Auto-Reverse" Tapping Device for Turret Lathe, Errington	June 213	
"Auto-Truer"—Automatic Work-truing Attachment for Tool-room Lathes	July 211	
Avey Drilling Machine Co.: Drill Feed Unit	Sept. 221	
Drilling Machine	May 194	
Axelsson, Delbert F., Personal of	Dec. 238	
"Axial Face Kennamill" Cutter for Production Milling of Cast Iron	Dec. 225	
Axle Housings on a "Transfer-matic", High-speed Machining of Rear	Feb. 161	

B		Belts, Drive and Clutch Unit for Twin V-.....	May 212
Back-rest Holder Turret.....	July 226	Belts, Hammond Bench Back-stand for.....	Aug. 196
Back-stand for Abrasive Belts, Hammond.....	Aug. 196	Beats (V-) Made with Rayon Cord, Dayton.....	Sept. 185
Back-stand for Abrasive Belt Grinding, Hammond Bench.....	Nov. 202	"Beltflex" Contact Wheel for Abrasive-belt.....	June 220
Badger, T.:.....		Bemis & Call Co.:.....	June 222
How Westinghouse Standardized Single-point Carbide Tools.....	Mar. 162	Horizontal Milling Attachment.....	June 222
Baker, A. L., Personal of.....	Oct. 236	Benchmaster Mfg. Co.:.....	Oct. 195
Baker Brothers, Inc.:.....		Automatic Rod Feed for Presses.....	Oct. 195
Keyway Cutting Machine and Hydraulic Feed Unit.....	Sept. 246-B	Bending a Textile Mill Forging in an Arbor Press, Robert Mawson.....	Jan. 190
Hydraulic-feed Vertical Drill Press.....	Oct. 194	Bending and Forming of 758-T Aluminum by the Resistance Heating Process at Elevated Temperatures, M. L. Occhiano.....	Jan. 159
Multi-operation Machine.....	June 205	Bending Bar, Adjustable.....	June 228
Two-way Connecting-rod and Cap Finishing Machine.....	Apr. 206	Bending Machine, Di-Acro Precision Multi-purpose.....	Dec. 222
Baker, Donald A.:.....		Bending Machine, Wallace Portable Ram.....	Apr. 214
Turning Thin-walled Bushings with a Single-point Tool.....	Nov. 171	Bending Press, Steelweld 500-Ton.....	Jan. 199
Drawing Thin-walled Shells of Intricate Shape.....	Jan. 171	Bending Roll, Buffalo.....	Sept. 246
Adapting a Lathe for Turning Special Dowel-pins.....	Jan. 189	Bending Rolls, Reed Pyramid Type.....	Aug. 187
Welding Jig for Salvaging Drilled Parts.....	Feb. 179	Bendix-Westinghouse Automotive Air Brake Co.:.....	Mar. 194
Indexing Fixture for Drilling and Counter-sinking Aluminum Containers.....	Feb. 185	Air Valve.....	Mar. 194
Special Bolt-head Milling Fixture.....	Apr. 189	Bennett, George, Personal of.....	May 230
Special Chuck and Fixture for Precision Taper Boring.....	May 182	Benson, Lee H., Personal of.....	Jan. 240
Novel Thrust Shoulder for Grinding-wheel Spindle.....	June 197	Bernard, Harry, Personal of.....	June 248
Details for Die Designers.....	Aug. 175	Beryco 165 Alloy—a Spring Material with Lower Beryllium Content.....	Jan. 184
Balancing Machine, Bend Dynamic.....	Sept. 238	Beryllium Corporation, Reading, Pa.:.....	Jan. 184
Baldwin Locomotive Works:.....		Beryco 165 Alloy—a Spring Material with Lower Beryllium Content.....	Jan. 184
Material Testing Machine.....	Nov. 181	Besco Mfg. Co.:.....	May 200
Giant Tension and Compression Testing Machine.....	July 172	Power-driven Shear.....	May 200
Ball and Roller, Special Anti-friction Bearings for Gas-turbine Planes.....	Jan. 157	Besly & Co., Charles H.:.....	Sept. 206
Ball Bearings, Federal.....	208	Wet and Dry Grinding Machines.....	Sept. 206
Ball Bearings, Marlin-Rockwell "Synthetic Seal".....	Sept. 246-G	Vertical-spindle Hydraulic Shear and Cutting Tool Grinding Machine.....	Jan. 203
Ball Grinding and Lapping Machine, Automatic.....	Mar. 207	Vertical-spindle Grinding Machine.....	Jan. 203
Balls for Precision Bearings, Federal Gage that Classifies.....	Sept. 246-C	"Better Bearing"—Padded-bearing Master Stock-pusher.....	July 226
Ballard, Archibald H., Personal of.....	Oct. 238	Better Finishes & Coatings, Inc.:.....	Dec. 246
Band Saw, Delta 20-inch.....	Sept. 258	Peelable Spray-booth Coating.....	Dec. 246
Band Saw, DoAll 360-degree Spiral-edge.....	Apr. 210	"Liquid Coating" on Stainless-steel Sheet.....	Feb. 174
Band Saw, Farrell Deep-throated Metal-working.....	July 208	Eliminates Marring.....	Feb. 174
Band Saw, Johnson Metal Cut-off.....	July 212	Application of A. L. Stewart.....	May 164
Band Saw, Johnson Metal-cutting.....	Nov. 192	"Bi-axial" Grind, New Milling Cutters with Binder for Casting, Phenolic Resin Used.....	Dec. 220
Band Saws, DoAll High-speed.....	Sept. 265	Biggs, Fred P., Personal of.....	Apr. 236
Band Saws, Making Wide.....	June 168	Bijur Lubricating Corporation:.....	Sept. 235
Band Sawing Machine, DoAll Diamond.....	182	Constant-feed Gear Pumps.....	Sept. 235
Band-sawing of Steel Molding, Recommendations for the H. J. Chamberland.....	Oct. 190	Blender for Casting, Phenolic Resin Used.....	Apr. 180
Banner Products Co.:.....		Bliss, C. W., Personal of.....	June 254
Spot-welding.....	Mar. 22	Blittner, Lester H., Personal of.....	June 254
Spot-welding.....	Mar. 22	Bits, "Shearcutters" Improved Presharpened Tool.....	Mar. 223
Rannon, Thomas J., Personal of.....	Mar. 242	Black, Lawrence F., Personal of.....	June 253
Bar Simultaneously, Ingenious Method of Threading Both Ends of a Mark W. Purser.....	Apr. 187	Blade Setting Fixture and Checking Gage.....	June 227
Bar-feed Attachment, Hy-Level Liquid Pressure.....	Sept. 246-G	Blake Co., Edward:.....	Oct. 212
Bar Machines, Comatic Multiple-spindle.....	Sept. 227	"Bordjow" Precision Chuck for Small Lathes.....	Oct. 212
Barber-Colman Co.:.....		Blanchard Machine Co.:.....	Oct. 152
Automatic Hob-sharpening Machine and Hob-shifter.....	Sept. 174	Fine Finishes and Flatness Obtained by Surface Grinding.....	Oct. 152
Production Hobbing Machine.....	Oct. 196	Blanks for Automatic Screw Machines, Circular Form-tool.....	Aug. 212
Barber, I. J., Personal of.....	May 232	Bletz, Alexander L., Obiuary of.....	Nov. 216
Barber, John E., Personal of.....	May 232	Bliss, C. W., Personal of.....	Nov. 216
Bardons & Oliver, Inc.:.....		Bliss Co., E. W.:.....	Oct. 208
Cutting-off Machine.....	Jan. 206	Second-operation Spinning Lathe.....	Oct. 208

Universal Flute Grinding Machine	Feb. 190
Warner & Swasey Co.:	
Electro-Cycle Turret Lathe, Threading Ma-	Sept. 222
chine, and Scroll Chuck	
Warren City Mfg. Co.:	
Mechanical Press Brake of Giant Size Exerts	Dec. 175
Pressure of Over 1,000 Tons	Oct. 233
Warren, William D., Personal of	Oct. 236
Warmer, L. L., Personal of	July 224
Wasp Special Arc-welding Machine	Sept. 286
Watch-spring Alloy, Fouldry & Machine	Mar. 218
Waterbury Farrel Foundry & Machine	Aug. 228
Watson, H. L., Personal of	May 230
Watson, I. C., Personal of	
Watson-Standard Co.:	
Fast Drying Finish Gives Good Corrosion	185
Protection	
Easily Removed Coating Protects Metal	July 189
Parts	
Watson-Stillman Co.:	
Celebrates One-hundredth Anniversary	July 202
Portable Hydraulic Press	Aug. 192
Watterman, Owen G., Personal of	Sept. 282
Wax Compound Provides Anti-static Surface	July 189
for Plastics	
Wax Used as Lubricant in Drawing High-	Apr. 181
carbon Steels, Synthetic	
Wear, Diamond Indentation Method of	Nov. 158
Measuring	
Wear, High-speed Motion Pictures Trace	Nov. 164
Cause of	
Webber Gage Co.:	
Angle Gage-blocks	June 220
Webber, Robert A., Personal of	Aug. 233
Weber, Farrel B., Personal of	Mar. 242
Weddell Tools, Inc.:	
Tri-Bit Tools	Mar. 192
Weller, Harry E., Personal of	Oct. 238
Weinhold, Robert A., Personal of	Sept. 280
Weitz, Herbert:	
Magnetic Holding Fixture Speeds Assembly	Feb. 183
Operation	
Welds, Supersonic Reflectoscope for Testing	Aug. 168
Welder, Agnew Spot	207
Welder and Double-roll Seam Welder, Federal	Jan. 210
Projection	
Welder and High-production Projection Weld-	Nov. 183
er, Multi-point Spot	
Welder, Automatic Cylinder-forming Seam-	June 204
Welder, Banner Spot	Dec. 205
Welder, Federal Hydraulic Projection	July 210
Welder for Automobile Dash Panels, Multiple	Oct. 162
Welder for Inert Gas Welding of Aluminum,	July 234
Portable	
Welder, Greyhound Portable Spot-	Aug. 208
Welder, Kern "Dual-Tronic"	

Welder, Lincoln Engine-driven Portable	July 222
Welder, "Nu-Arc" Arc	July 228
Welder, Taylor-Winfield Arc	Apr. 199
Welder, Taylor-Winfield Resistance	Mar. 187
Welder, Taylor-Winfield Tri-phase	Aug. 193
Welder to be Featured at British Industries	May 169
Fair, Tropical Arc	Jan. 200
Welding Automatic Feeder	Jan. 203
Welding, Westinghouse Automatic	Dec. 204
Welder, Westinghouse Low-voltage Industrial	July 216
Welders, Air-operated Rocker-arm	Feb. 211
Welders for Stored-energy Operation, Unit for	Jan. 224
Converting Alternating-current	May 206
Welders, Kern Portable Alternating-current	Dec. 212
Welding, Mid-States "Hi-Cycle" Arc	Apr. 152
Welding Machinery for Arc	May 181
Welding, Acro Sequence Control for Aluminum	Jan. 227
Spot	
Welding, Cast-iron Flux Applied in Paste	Jan. 185
Form for Gas	
Welding "Christchurch", Metal-cutting and	Aug. 216
Welding Compound Supplements Action of	Nov. 163
Welding Electrode, Rod, see Electrode, Rod	
Welding Equipment Applied in Fabricating	June 211
Machine Tool Members, Manually Operated	Feb. 197
Hidden-arc, Edward F. Amten	Nov. 156
Welding Guns with Standardized Interchange-	Feb. 179
able Parts	
Welding Holder, Aircro Manual Arc	Apr. 186
Welding in Tank Production, Applying	Dec. 201
Resistance	
Welding Jig for Salvaging Drilled Parts,	Dec. 201
Donald A. Baker	
Welding, Joining Alloy and Carbon Steel by	Dec. 201
Welding, Kinetic Stored-energy Power Unit	Dec. 201
for Resistance Welding	
Welding of Stainless Steel, Aircro Flux for	Dec. 201
Gas	
Welding Machine, Banner Spot	May 191
Welding Machine, Unionnelt Shape	May 204
Welding Machine, Hornet Heavy-duty Arc	Feb. 204
Welding Machine, "Wasp Special" Arc	July 224
Welding of Aluminum Frames for Coin-	July 171
operated Phonographs, Heliarc	
Welding of Cylindrical and Spherical Shells	Jan. 164
Welding of Irregular Shapes, Heliarc	June 167
Welding Positioner, Magnetic	July 226
Welding Press, Clearing Spot	Aug. 189
Welding Press for Assembling Large Metal	May 200
Sections, Bliss	
Welding Process, Large Cylinder Bore Re-	July 171
liefed by the	
Welding Production Doubled by Improved	July 184
Material-handling	
Welding, Shut-off Valve for Oxy-acetylene	Mar. 223
Welding Speeds up Box-car Production, Auto-	Feb. 143
matic	
Welding-tip Cleaners	Feb. 212
Welding Torches, Aircro Cutting and	Mar. 224
Welding, Unique Electrical System for	Feb. 222
Weldon Tool Co.:	
Optical Grinding—The Latest Development	Apr. 154
in Toolmaking	
Wendt-Sonits Co.:	
Carbide-tipped Tools	Dec. 222
"Spe-D-Cut" Reamers	May 212
Westinghouse Electric Corporation:	
Silicone-insulated Motor and "Life-Line"	Sept. 246-C
Gear-motor	
Magnetic Alloy Used in Light-weight	Sept. 284
Motors	
Weather Chamber for Testing Radar Equip-	Oct. 150
ment	
What is the Big Job Now for Machine	Oct. 154
Tool Builders?	
Miniature Rolling Mill Aids Metal Re-	Oct. 163
search	
Shortage of Technical Man-Power	Oct. 185
Selenium Power Packs for Direct-current	Oct. 194
Motors	
Westinghouse Low-voltage Industrial	Dec. 204
Welder	
Tests Being Made on Aerial Television	Dec. 248
Carbon-arc Torch	222
Die-casting Aluminum Rotors on a Vertical	Feb. 150
Hydraulic Press	Jan. 200
Induction Heating Generators	Jan. 203
Automatic Welder	Feb. 188
Furnaces Capable of Developing Temper-	Feb. 194
atures to 4700 Degrees F.	
High-frequency Generator	Feb. 211
Vertical Gearmotor	
New Gage Uses X-Rays to Measure	Feb. 222
Material Thickness	
How Westinghouse Standardized Single-point	Mar. 162
Carbide Tools	Mar. 226
High-intensity Industrial Spotlight	Apr. 178
Machine Tool Electrification Forum	Apr. 206
Electrodes for Automatic Rivet-in-	Apr. 221
serting	
Single-phase Squirrel-cage Motor	May 167
Totally Enclosed Motors with Copper Cool-	June 203
ing Fins	
Stainless-steel Electrodes	July 173
Radio Sets Built for Service where Tele-	Aug. 158
phone Lines are Impractical	
Westinghouse International Training Course	Aug. 168
2000-H.P. Experimental Gas Turbine	Aug. 212
Found Practicable	
"Life-Line" Induction Motor	Jan. 139
Westphal, George E.:	
Producing the New Studebaker	July 200
Wheel Assemblies, Automatic Rivet-in-	July 200
serting for Automobiles	
Wheel Dresser, Erickson "Tru-Matic"	Mar. 226
Wheel Dresser, Hoglund Contour	Nov. 202
Wheel Dresser, Matco Radius	Mar. 226
Wheel Dresser, Matco Universal Dividing	Mar. 188
Collet Head and	
Wheel-dresser, Perflex Radius	June 220
Wheel for Abrasive-belt Polishing, "Beltflex"	
Contact	
Wheel Salvaging Machine, Wickes Grinding	Apr. 203
